- Inlet Lp(A) sound pressure levels at 1.5 m are measured at free discharge in spherical free field condition.
- Performance certified is for installation type B – Free inlet, Ducted outlet.
- Performance ratings do not include the effects of appurtenances (accessories).
- Speed (RPM) shown is nominal. Performance is based on actual speed of test.

Performance

- Performance certified is for installation type B – Free inlet, Ducted outlet.
- Performance ratings do not include the effects of appurtenances (accessories).
- Speed (RPM) shown is nominal. Performance is based on actual speed of test.
